LIV **2**
LTE

The LIV LTE series has a fresh, young and relaxed personality.

Designed for **those who want to stay connected at 4G LTE speed** through calls, videocalls, text messages, email and internet with a modern smartphone of great quality and technology without having to assign a large part of their budget to mobile technology.

The Quad Core 1.3GHz processor **offers performance that powers the capabilities** of this LTE model, to give you fast speed navigation.

It has **1GB (RAM) and 16GB (ROM) memories, expandable up to 64GB.** Get the most out of your internal memory by moving all applications to the SD card.

It comes with **the latest version of Android, 10 (Go Edition),** giving you the same Android performance as ever, without compromising your device's storage.

The dual cameras are one of the best features of the LIV 2 LTE. With 8MP + 2MP resolution on the rear camera, you can get **amazing portraits or stunning landscapes.** The selfie camera is 8MP.

The LIV 2 LTE has an extraordinary screen that comes to life, thanks to the **5-inch QHD resolution**, so you can see life in high definition.

A world of colors to make your life more fun: Black, red, green and gray.

The LIV 2 LTE also has **a compact and modern design**, making it ideal for one-handed operation.

LIV² LTE
